THE TEXAS WAS IN PERIL.  
Battleship Threatened by Storm—Water Swept Into Berth Deck.

Boston, Mass., April 27.—The battleship Texas arrived here yesterday, after a dangerous experience with a storm, while on her way from Charleston, S. C., to this port, to which she was ordered for permanent repairs, on account of an accident sustained while blowing up a derelict off the Florida coast.

The battleship has a hole in the bow as a result of striking a part of the wrecked derelict. This was patched at Charleston, so that the vessel could sail for Boston, but the temporary repair was weakened during a gale on the way up the coast, and a great volume of water poured into the berth deck. Vigorous work at the pumps relieved the danger.

The Texas was placed in the dry dock immediately on her arrival.

SHOE STRIKE OFF.  
Lynn Edgemakers' Union Wins Demands and Starts Work.

Boston, Mass., April 27.—The strike of the Lynn Edgemakers' Union, which since it was declared last Saturday, has tied up the shoe business all over Lynn, throwing over 7,000 men out of work and costing the manufacturers hundreds of thousands of dollars, has been called off and the men returned to work yesterday in all the factories affected. The Lynn Manufacturers' association granted the terms demanded by the union officers as a price for the return of the men. The original trouble with the Miller & Haggood Shoe Co. will be referred to arbitration. The union had insisted that the Miller & Haggood employees be taken back pending arbitration and there has been a deadlock.

Notice.  
Willard G. Smith, who during an absence of 50 years from this, his native place, has repaired and adjusted sewing machines of all kinds in factories, for all branches of manufacturing in central New York, and over 700 machines in Burlington, Vt., since his return, will repair machines at your homes, in Barre and vicinity, making an old machine run like a new one or no pay. Address or leave word at No. 50 Averill street.

No Trace of Danish Consul.  
Washington, April 27.—The Danish minister, Mr. Brun, is much alarmed as to the Danish consul at San Francisco, H. H. Birkholm, who has not been heard from since the earthquake. The French embassy also is still trying to get trace of the French consul general at San Francisco, who has failed to respond to all inquiries directed to him.

# DR. CHASE'S Blood and Nerve Food The Great Tonic For Old People

This Grand Blood and Flesh Maker, Brain and Nerve Tonic, Keeps You From Growing Old and Adds Years to Life by Keeping Up Your Vital Forces.

When the human machinery begins to wear out, people grow old and go into decline and decay, the blood becomes thin and watery, the circulation poor, and the nerve forces shattered and weak, showing that certain essential elements of life are being exhausted from the blood and nerves. The exhaustion usually begins with cold and numb hands and feet. The stomach, bowels and bladder lose their power, often becoming partially, if not wholly, paralyzed. You grow weak and feeble and your vital forces so low that you begin to see that your health is being undermined. Dr. Chase's Blood and Nerve Food increases the action of the heart and the circulation of the blood, and builds up the system by replacing the same substances to the blood and nerves that have been worn out. Price 50 cents. Weigh yourself before taking it. Book free.

GRANITEVILLE.  
Division No. 3, A. O. H., will hold a Hibernian fair in Miles' hall, Thursday, Friday and Saturday evening, May 3, 4 and 5. The fair will open Thursday evening with a lecture by the Hon. E. J. Slattery of South Framingham, Mass.

The subject will be "Ancient Order of Hibernians, Past, Present and Prospective Future." The Hon. E. J. Slattery is one of the best orators in New England, and his ability to handle this subject cannot be questioned. He has held several important offices in this order and is at present national lecturer of the order. Mr. Slattery has also served two terms as state senator in Massachusetts and was the candidate for lieutenant governor on the Democratic ticket in 1900. It was only after considerable effort on the part of the committee and no little sacrifice on Mr. Slattery's part that he decided to come to Graniteville. This evening lecture alone is worth more than the price of admission, and is an excellent opportunity for the people of this vicinity to listen to Mr. Slattery.

Friday evening the Modern Woodmen of America degree team of Maple Leaf Camp will give an exhibition drill and it is sure to be interesting. On Saturday evening will be the closing of the fair, and the numerous articles will be drawn for those holding the lucky numbers. There will be dancing each evening, and music will be furnished by Prof. Elmore of Montpelier. There will also be numerous articles for sale and an excellent time is assured for all. Admission ten cents.
